

# Learner-Centered Approaches in College Education in the AI Era

February 9 - 11, 2026

Are you looking for a way to improve your  
**students' engagement** in your class?

Join us if you are:

teaching a college-level course

highly valuing collaboration

designing a new course or curriculum

interested in active learning

seeking ways to improve your teaching skills

exploring how AI can enhance the learning experience

Register now! 

Workshop language is English

No registration fee
